Education

Ringling College of Art and Design Sarasota, Florida
BFA, Motion Design Class of 2019

Experience

Freelance Animator, HelloJelloShip - August 2020 - Present Denver, Colorado

Operating an independent animation business:

- Work directly with clients to bring their animated project through all stages of production
- Maintain clear communication throughout the process and deliver on all set deadlines
- Collaborate with fellow animators and artists remotely for larger-scale projects

Junior Designer, Zealot - June 2019 - July 2020 Los Angeles, California

As a designer at a movie trailer house:

- Designed and animated internal cards and main titles for movie trailers, as well as TV and digital spots
- Worked efficiently to keep up with rapid turnaround rate, while always maintaining high bar for quality
- Organized project files to encourage simple collaboration between graphics artists, both in the local LA office as well as in the NYC office

Design Intern, Greenhaus GFX - Summer 2018 Los Angeles, California

In an internship as a motion designer:

- Created style frames of various mediums (CG, graphic design, digital compositing) for pitching
- Designed typography, rotoscoped footage, composited, and animated motion graphics for opening and closing title sequences, trailers, and advertisement spots
- Conceptualized design directions that were chosen by the client and further developed for the final product on-air

Accolades

Silver Award "Student Design" Los Angeles Animation Festival 2019
